

# MAX KADE APPLICATION FORM 2019/2020 for a Clinical Clerkship in the United States

## Appendix

### Eligibility for Clinical Rotations

Austrian medical students are eligible to complete a clinical clerkship in the US in their last year of medical school. Due to the elaborate selection process, candidates need to already apply one year before their final year of medical school. Please find the application deadline on our website.

During your stay in the US, it is obligatory that you are still enrolled at your home university. Therefore, it is only possible to complete the clinical rotation in the US prior to your graduation date at your home university.

### Clinical Rotations Available to Eligible Students

Our partner universities make an effort to provide the greatest possible variety of clinical rotations to the Austrian visiting medical students. Clinical clerkships are accessible to Max Kade students, it is not guaranteed however, that your preferences regarding subject and date of the clinical clerkship can always be considered. This depends on availability of the rotations and can only be decided by the host institutions.

### Application Process

1. Apply to the American Austrian Foundation (via email to [max.kade@americanaustrianfoundation.org](mailto:max.kade@americanaustrianfoundation.org))
2. The American Austrian Foundation selects Max Kade candidates and assigns them to the partner institutions
3. Selected students have to apply directly to their assigned host institution and fulfill all their requirements. Each US medical school has slightly different requirements, so please review these. Exact Fellowship Dates will be available depending on the host institution.

All information regarding how to apply to the host institutions is available on their respective websites. **Applications must be submitted to the host institution 6 months in advance.** Please note that for some institutions the "TOEFL" test is required. Please find also more information on our website: <http://www.aaf-online.org/index.php/how-to-apply-for-austrian-students.html>

### Duration

You can apply for a clinical clerkship at a US partner institution with duration of 1 month or 2 months (maximum). Exception: Clerkships at Weill Cornell Medical College are available for the duration of one month only! One subject course lasts approx. 1 month. If you apply for a clinical clerkship for 2 months, it is not possible to be selected for the same subject twice. Electives must start and end on elective dates as indicated on the host institutions' website.

## MAX KADE APPLICATION FORM 2019/2020 for a Clinical Clerkship in the United States

### Please note that in order to be considered for a Max Kade Clinical Rotation:

1. You need to submit your application latest until the application deadline via email to: [max.kade@americanaustrianfoundation.org](mailto:max.kade@americanaustrianfoundation.org).
2. After being selected, you need to reapply at the assigned host institution.
3. Only after receiving official confirmation of your clerkship by the US host institution, you will start making flight and housing arrangements, apply for a visa and organize personal health care insurance for the US.

**Confirmation of your acceptance** for any given elective will be announced by the host institution latest 6 weeks prior to the beginning of each rotation.

### Details

The AAF Max Kade Fellowship is a travel stipend, which is paid in two instalments: 50% upon receipt of the confirmed itinerary and 50% upon receipt of the final report. Students must cover all other expenses themselves.
