

# OPEN MEDICAL INSTITUTE

**SALZBURG CHOP SEMINAR  
PEDIATRIC PULMONOLOGY  
Sunday 3 February – Saturday 9 February 2019  
Schloss Arenberg, Salzburg, Austria**

Course Director: Julian L. Allen, MD  
Co-Course Director: Ernst Eber, MD

## **SPEAKERS AND TOPICS:**

### **Olufunke Afolabi-Brown, MBBS**

*Attending Physician*

*Division of Pulmonary Medicine*

*Children's Hospital of Philadelphia*

*Philadelphia, PA*

*USA*

- Obstructive Sleep Apnea
- Polysomnography
- Workshop: Bronchoscopy and Mechanical Ventilation
- Home CPAP/BiPAP for Upper Airway Obstruction, Chest Wall and Neuromuscular Disease

### **Stamatia Alexiou, MD**

*Attending Pulmonologist*

*Division of Pulmonary Medicine*

*Children's Hospital of Philadelphia*

*Philadelphia, PA*

*USA*

- Chronic Lung Disease (CLD) of Childhood
- Invasive Mechanical Ventilation for CLD: Matching the Settings to the Patient
- Chest Wall Disorders
- Cardiopulmonary Interactions

### **Julian L. Allen, MD**

*Chief*

*Division of Pulmonary Medicine*

*Children's Hospital of Philadelphia*

*Philadelphia, PA*

*USA*

- Physiology Overview: Respiratory Mechanics, Respiratory Muscles, and Gas Exchange
- Asthma, Preschool Wheeze and Pediatric Origins of Adult Lung Disease
- Preschool PFTs: Spirometry, Forced Oscillation and N<sub>2</sub> Washout
- Workshop: Spirometry and Forced Oscillation Technique

**Ernst Eber, MD**

*Head*

*Division of Pediatric Pulmonology and Allergology*

*Medical University of Graz*

*Graz*

*Austria*

- Workshop: Bronchoscopy and Mechanical Ventilation
- Interstitial Lung Disease
- Primary Ciliary Dyskinesia
- Congenital Lung, Airway, and Aerodigestive Disorders

**Maureen B. Josephson, DO**

*Attending Pulmonologist*

*Division of Pulmonary Medicine*

*Children's Hospital of Philadelphia*

*Philadelphia, PA*

*USA*

- Cystic Fibrosis: Pulmonary Aspects
- Cystic Fibrosis: Non-Pulmonary Aspects
- Workshop: Bronchoscopy and Mechanical Ventilation
- Clinical Trials: The Essentials

**Andreas Pflieger, MD**

*Deputy Head*

*Division of Pediatric Pulmonology and Allergology*

*Medical University of Graz*

*Graz*

*Austria*

- Pulmonary Complications of Neuromuscular Disease
- Assessment of Stridor
- Workshop: Spirometry and Forced Oscillation Technique

**Christina Schorlemer, MD**

*Department Manager*

*Division of Pediatric Pulmonology and Allergology*

*Medical University of Graz*

*Graz*

*Austria*

- Tuberculosis

**Marlies Wagner, MSc**

*Physical Therapist*

*Division of Pediatric Pulmonology and Allergology*

*Medical University of Graz*

*Graz*

*Austria*

- Chest Physiotherapy and Airway Clearance Techniques
