**Learning Objectives for Participants**

At the conclusion of this seminar, the participant should be better able to:

1. Describe the pathophysiology of various illnesses that present in an emergent fashion in children, adolescents and young adults.
2. Discuss frequently utilized diagnostic and therapeutic modalities in pediatric emergency medicine.
3. Recognize the signs and symptoms of various diseases and trauma scenarios that present as emergencies in children of all ages.
4. Discuss the differential diagnosis, management and outcomes, both short-term and long-term, of common conditions presenting emergently in children, adolescents and young adults.
5. Manage common pediatric conditions that present as an emergency.

**ACCME Accreditation Statement**

Children's Hospital of Philadelphia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

**AMA Credit Designation Statement**

Children's Hospital of Philadelphia designates this live activity for a maximum of **26.25 AMA PRA Category 1 Credits™**. Physicians should only claim credit commensurate with the extent of their participation in the activity.
