20:00	21:00					<i>20:30 - 21:30</i> <b>CHAMBER MUSIC CONCERT</b>			

**Learning Objectives for Participants**

At the conclusion of this seminar, the participant should be better able to:

1. Review topics affecting the care and safety of critically-ill pediatric patients in both the intensive care unit and the operating room.
2. Understand the unique challenges of caring for neonates requiring general anesthesia.
3. Discuss models and techniques for sedation of pediatric patients outside of the operating room.
4. Recognize the value of point of care ultrasound techniques in diagnosing common critical care emergencies.

**ACCME Accreditation Statement**

Children's Hospital of Philadelphia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

**AMA Credit Designation Statement**

Children's Hospital of Philadelphia designates this live activity for a maximum of **TBD AMA PRA Category 1 Credits™** .  
Physicians should only claim credit commensurate with the extent of their participation in the activity.
