Learning Objectives for Participants

At the conclusion of this seminar, the participant should be better able to:

1. Discuss the pathophysiology, signs and symptoms, diagnostic testing, and treatment for pediatric gastrointestinal diseases.
2. Discuss the pathophysiology, signs and symptoms, diagnostic testing, and treatment for pediatric liver diseases.
3. Discuss pediatric gastrointestinal endoscopic therapeutic techniques.
4. Discuss the management, and outcome, both short-term and long-term, of pediatric liver transplantation and pediatric short gut syndrome.
5. Recognize the histologic features of pediatric intestinal and liver diseases.

ACCME Accreditation Statement

Children's Hospital of Philadelphia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

AMA Credit Designation Statement

Children's Hospital of Philadelphia designates this live activity for a maximum of **22.25 AMA PRA Category 1 Credits™**.

Physicians should only claim credit commensurate with the extent of their participation in the activity.
