**Learning Objectives for Participants**

At the conclusion of this seminar, the participant should be better able to:

1. Review common pediatric neurologic disorders.
2. Describe the pathophysiology of a variety of neurologic disorders in children and adolescents.
3. Discuss frequently utilized diagnostics and therapeutics in pediatric neurology.
4. Recognize the signs and symptoms of neurologic disorders in children, adolescents and young adults.
5. Discuss the differential diagnosis, management and outcomes, both short-term and long-term, of common neurologic disorders in children and adolescents.

**ACCME Accreditation Statement**

Children's Hospital of Philadelphia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

**AMA Credit Designation Statement**

Children's Hospital of Philadelphia designates this live activity for a maximum of **TBD AMA PRA Category 1 Credits™**. Physicians should only claim credit commensurate with the extent of their participation in the activity.
