OMI Vietnam Seminar

The Open Medical Institute presents a seminar in Anesthesiology, Critical Care, and Pulmonology in collaboration with VinUniversity and the Weill Cornell Medicine. This three and a half-day course will be led by world-renowned experts from Weill Cornell Medicine, targets residents and mid-career level specialists from Vietnam and Southeast Asia. The seminar allows for intense interaction with attendees through lectures, discussions, and case presentations. During a simulation training, which focuses on airway management, cardiac arrest, and transthoracic echo, participants will have the opportunity to enhance their practical skills.

TOPICS COVERED

Intraoperative Use of Vasopressors and Inotropes, Respiratory Infections, Perioperative Pacemaker and ICD, Mechanical Ventilation for ARF, Perioperative Bleeding and Patient Blood Management, Sepsis, Sepsis Resuscitation and Adjunctive Therapies, COPD, Anesthesia for Abdominal Transplant, VA and VW ECMO, New Generations of Cardiac Output Monitoring Devices, ILD, Thoracic Anesthesia, Major Clinical Trials in Critical Care (COVID-19)

Anesthesiology, Critical Care, and Pulmonology

OMI Vietnam Seminar

APPLICATIONS REQUIREMENTS

Fellows must be fluent in English, have either completed their specialization or are in the final phase of their residency, and plan to pursue a professional career in their home country. The seminar is limited to a maximum of 30 participants. This allows for intense interaction during lectures, discussions, case presentations, and hands-on training sessions. All OMI fellows must contribute academically by presenting an interesting case study. Attendance is mandatory for the entire course.

Apply by:
May 20, 2023

SPECIAL NOTE

Fellowships cover tuition, course materials, travel, and full board.
Accommodation will be provided for fellows from outside of Hanoi.
