**Jonathan A. Coleman, MD
(Course Director)**

Professor of Urology, Department of Surgery
Weill Cornell Medicine
Memorial Sloan Kettering Cancer Center
1275 York Avenue
New York, NY 10065
USA

Phone: +1-646-422-4432
Fax: +1-212-452-3323
Email: colemanj@mskcc.org

Jonathan A. Coleman, MD is a Urologic Surgeon at Memorial Sloan Kettering Cancer Center in New York and specializes in minimally invasive and image guided therapies for urologic malignancies of the kidney, urothelium and prostate. Dr. Coleman received his degree in Medicine from Cornell University Medical College in 1996 followed by residency in General Surgery and Urology at The New York Hospital in New York City with E. Darracot Vaughan, MD. From 2003 – 2004 Dr. Coleman completed his Fellowship training in Urologic Oncology at the National Institutes of Health / National Cancer Institute (NCI) in Bethesda, Maryland including research on urothelial cancer and hereditary forms of kidney cancer with Marston Linehan, MD. He remained on staff at the NCI as Attending Surgeon and Senior Research Scientist where he continued his research work in c-MET expression and targeted inhibition under the mentorship of Don Bottaro, PhD. In 2006 Dr. Coleman was invited to join the faculty at Memorial Sloan Kettering Cancer Center in New York where he is a Professor of Urology in the Department of Surgery. Dr. Coleman has a special interest in the study of hereditary urologic cancer syndromes involving Renal Cell Carcinoma and Upper Tract Urothelial Cancer. His funded laboratory research activities include investigating genomic markers in urologic cancers and development of image guided minimally invasive surgery for the treatment of advanced urologic cancers of kidney, urothelium and prostate.

**Joan Palou Redorta, MD, PhD, FEBU, FRCS
(Glasg)
(Co-Course Director)**

Chairman of Urology Department
Professor of Urology
Former Director of European School of Urology
Fundació Puigvert
Universitat Autònoma de Barcelona
Cartagena 340

Fax: +34-93-4169730
Email: jpalou@fundacio-puigvert.es

Joan Palou Redorta, MD, PhD, FEBU, FRCS (Glasg) is a world-renowned expert in Uro-oncology. He graduated from the Medical School of the Universitat Autònoma de Barcelona and became a urologist at the Hospital Vall d'Hebron in Barcelona. He is currently a Professor of Urology at the Universitat Autònoma de Barcelona and Chairman of the Urology Department at Fundació Puigvert in Barcelona. He is the Former Chairman of the European School of Urology (2012-2021) where he broadened the academic activities with a lot of new educational programs (webinars, Uro-training, Masterclasses, Undergraduate, etc.), is an active member of the Association of Academic European Urologists (AAEU) and of the American Association of Genito-Urinary Surgeons (AAGUS) among others. He is actively involved in the IBCG (International Bladder Cancer Group) and the IBCN (International Bladder Cancer Network), developing landmark papers in bladder cancer. Dr. Palou is an expert in laparoscopy and robotic surgery belonging to a cooperative group in robotic radical cystectomy and developed robotic urinary diversion, RPLND and ureterointestinal stenosis reconstruction. He has collaborated with the International Consultation on bladder cancer, upper tract, and penile cancer, sponsored by the WHO and SIU. He is involved in the IBCG (international Bladder Cancer Group) and the IBCN (International Bladder Cancer Network), developing landmark papers in bladder cancer. Most importantly, he has been involved in writing the EAU guidelines for non-muscle invasive bladder cancer and upper urinary tract tumors. Dr. Palou has published many chapters in medical and urology books and more than 450 publications in peer-reviewed journals. He has given countless lectures in national and international meetings and as a visiting professor in university hospitals all over the world. His group has received several awards for publications, videos, oral, and poster presentations at different meetings. The most known is the Hans Marberger prize in 2004 and 2021. He was also recognized with the Platinum Award of European Urology Journal in 2018, the Shlomo Raz Award from the CAU in 2020, and the Frans Debruyne award in 2022.

Carlos Errando-Smet, MD, PhD

Head
Unit of Female and Functional Urology
Fundació Puigvert
Cartagena 340
Barcelona
Spain

Phone: +34-934169700
Email: cerrando@fundacio-puigvert.es

Carlos Errando-Smet, MD, PhD is a urologist who specializes in female and functional urology. Dr Errando-Smet grew up in Barcelona, Spain. He graduated from Hospital Clinic Barcelona University and completed his urology residency at Fundacio Puigvert Universidad Autonoma de Barcelona Hospital in 1995. He got his PhD degree at the Universidad Autonoma de Barcelona in 2016 after developing studies regarding the re-adjustable sling for the treatment of stress urinary incontinence in the female. Dr. Errando-Smet's research interests include post prostatectomy male incontinence, bladder pain, overactive bladder, and female pelvic organ prolapse. Recent publications include the paper on onabotulinumtoxin A injection in different subsets of male patients with detrusor overactivity and in female patients with bladder pain syndrome, published in Actas Urologicas Españolas and Urologia Internationalis. Dr. Errando is currently the head of the Unit of Female and Functional Urology in Fundació Puigvert, Barcelona, Spain. He is the vice president of the SINUG (Iberoamerican Society of Neurourology and Urogynecology) and of the MIPS (Mediterranean Incontinence and Pelvic Floor Society).

Grace Hyun, MD

Clinical Associate Professor of Urology
Director
Pediatric Urology
New York University-Brooklyn
New York University Langone Medical Center
222 East 41 St. 12th floor
New York, NY 10017
USA

Phone: +1-646-825-6300
Fax: +1-646-754-7580
Email: grace.hyun@nyulangone.org

Grace Hyun, MD is the Director of Pediatric Urology at NYU Langone-Brooklyn and a Clinical Associate Professor of Urology at the NYU Grossman School of Medicine. Born in Seoul, she was raised in New York City where she received a Bachelor of Arts in History from Columbia University and then received a Doctor of Medicine degree from Weill Cornell Medical College. She returned to Columbia University for urology residency and completed a fellowship in pediatric urology at the Children's Hospital of Philadelphia. Along with a busy clinical practice, Dr. Hyun is active in education and public policy. She is a Board Member of the New York Section of the American Urological Association, a member of the Section of Urology of the New York Academy of Medicine, as well as a delegate of the Legislative Affairs Committee of the American Urological Association. She is a member of the Board of Directors of Veru, Inc. Dr. Hyun lives in New York City with her husband and two teenage children.

Mariano Sotomayor, MD

Attending Urologist
Department of Urology
Médica Sur
Puente de Piedra 150
Colonia Toriello Guerra
Mexico City 14050
Mexico

Phone: +52-552-127-1000
Email: mariano.sotomayor@me.com

Mariano Sotomayor, MD is a urologist who has a special interest in urological oncology, andrology, and medical education. He was born in Morelia, Mexico where he graduated from medical school at the Universidad Michoacana de San Nicolas de Hidalgo. After graduation, he did residencies in Internal Medicine, Surgery, and Urology at the Instituto Nacional de Ciencias Medicas y Nutricion Salvador Zubiran, from 1987 to 1994. Afterwards, he went abroad and did clinical stays at the Fundacion Puigvert in Barcelona, Spain and at Harvard University in Boston, Massachusetts, USA. Later, he joined the Urology Department at his parent institution in Mexico City where he founded the Sexual Dysfunction Clinic and performed research in two main areas: andrology and urological oncology. He was also a professor of Urology at the Univesidad Nacional Autónoma de México and Universidad Panamericana. He also served as a member of the editorial committee of the Journal of Sexual Medicine and Revista de Investigacion Clinica. Dr. Sotomayor also worked in different administrative roles throughout the past years, such as the Presidency of the Mexican Society of Urology and is he is the immediate past president of the Mexican Board of Urology.

Becky Aguilar-Álvarez de Sáenz

Executive Director | AMSA

OMI VOICES

“ It was invaluable to ask questions to the faculty and know what their position on certain topics is. I was able to ask about a specific case I had at work recently, and the faculty provided reassuring and insightful advice. I valued the honest and valuable feedback a lot.

Carlos Delgado, MD
OMI MEX fellow from Mexico

“ Dr. Coleman’s lectures on kidney cancer were incredible and enriching, transmitted with great expertise. What a priceless experience to be in contact with the world’s biggest names in urology.

Caio Henrique Carrasco, MD
OMI MEX fellow from Brazil

“ Dr. Errando-Smet spoke about male incontinence after radical prostatectomy. I particularly have a great interest in functional urology, so this lecture opened my mind to different treatment options that we can offer to such patients.

Guillermo Martinez, MD
OMI MEX fellow from Mexico
