

# COURSE ANNOUNCEMENT

Are you ready for an update in

## VIRUSES, LIVER AND CANCERS?

Join the Open Medical Institute  
in Vietnam to learn from experts  
in your field!

Jean-Pierre Vartanian, PhD

Course Director

The Open Medical Institute presents a Global Health seminar in Viruses, Liver and Cancers at the Institut Pasteur in Ho Chi Minh City, Vietnam. Led by international experts, the course is held over four days and includes didactic lectures and interactive round tables. Participants will gain a profound understanding of viral hepatitis and hepatocellular carcinoma. A special focus will be laid on the epidemiology, natural history, and treatment of HDV and HBV, genomic aspects of viral hepatocarcinogenesis, the treatment of HCC, as well as effects of immune responses in infections and cancer.

November 24-28, 2024  
Institut Pasteur  
Ho Chi Minh City

Virologists  
Internists  
Oncologists

# GLOBAL HEALTH: VIRUSES, LIVER AND CANCERS

The seminar targets virologists, internists, and oncologists having either completed their specialization or being in the final phase of their residency. The seminar is limited to a maximum of 30 participants who must be fluent in English. This allows for intense interaction during lectures and discussions. Attendance is mandatory for the entire course.

## Fellowships cover:

- tuition,
- course materials,
- travel, and meals.

Accommodation will be provided for fellows from outside of Ho Chi Minh City.

# GLOBAL HEALTH: VIRUSES, LIVER AND CANCERS

## Lectures:

- Viruses, Restriction Factors, and Cancer
- Hepatitis D Virus: Virology, Epidemiology, Natural History, and Treatment
- Genomic Aspects of Viral Hepatocarcinogenesis
- Hepatitis C Virus: Virology, Epidemiology, Natural History, and Treatment
- New Therapeutic Strategies against Hepatitis B and C Viruses
- Surgical Treatment of Hepatocellular Carcinoma: Resection and Transplantation
- Clinical Treatment of Hepatocellular Carcinoma
- Medical System and Patient Follow-up in Vietnamese Hospitals
- Beneficial and Side Effects of Immune Responses in Infections and Cancer

# GLOBAL HEALTH: VIRUSES, LIVER AND CANCERS

## International Speakers:

- Jean-Pierre Vartanian, PhD | Institut Pasteur, Paris, France
- Vincenzo Barnaba, MD | Institut Pasteur, Rome, Italy
- Dominique Franco, MD, PhD | Institut Pasteur, Paris, France
- Pascal Pineau, PhD | Institut Pasteur, Paris, France

## Local Speakers:

- Hoang Huu Bui, MD, PhD | University Medical Center, Ho Chi Minh City, Vietnam
- Quy Hoang Nguyen, MD, PhD | Oncology Hospital, Ho Chi Minh City, Vietnam
- Thong Duy Vo, MD, PhD | University Medical Center, Ho Chi Minh City, Vietnam
