Learning Objectives for Participants

At the conclusion of this seminar, the participant should be better able to:

1. Describe the diagnostic criteria for common developmental, behavioral, and emotional conditions.
2. Counsel patients and families on interventions for common developmental, behavioral, and emotional conditions.
3. Recognize psychosocial and environmental factors impacting health, developmental, behavioral, and emotional conditions and outcomes.
4. Describe the role of genetic factors in developmental, behavioral, and emotional conditions.
5. Implement strategies to better care for a child with developmental and behavioral conditions in medical settings.
6. Recognize policies that have successfully increased inclusion of individuals with disabilities in society.

Accreditation

In support of improving patient care, this activity has been planned and implemented by the Children's Hospital of Philadelphia. The Children's Hospital of Philadelphia is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Designation of Credit

Physicians: Children's Hospital of Philadelphia designates this live activity for a maximum of **TBD** AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
