**Learning Objectives for Participants**

At the conclusion of this seminar, the participant should be better able to:

1. Describe the diagnostic criteria for common developmental, behavioral, and emotional conditions.
2. Counsel patients and families on interventions for common developmental, behavioral, and emotional conditions.
3. Recognize psychosocial and environmental factors impacting health, developmental, behavioral, and emotional conditions and outcomes.
4. Describe the role of genetic factors in developmental, behavioral, and emotional conditions.
5. Implement strategies to better care for a child with developmental and behavioral conditions in medical settings.
6. Recognize policies that have successfully increased inclusion of individuals with disabilities in society.

**ACCME Accreditation Statement**

Children's Hospital of Philadelphia is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

**AMA Credit Designation Statement**

Children's Hospital of Philadelphia designates this live activity for a maximum of **TBD PRA Category 1 Credits™**.

Physicians should only claim credit commensurate with the extent of their participation in the activity.
