Learning Objectives for Participants

At the conclusion of this seminar, the participant should be better able to:

1. Review the epidemiology and pathophysiology of osteoarticular infections (OAI) in children.
2. Describe updates in the diagnosis and management of neonatal hyperbilirubinemia.
3. Explain screening tools used in the diagnosis of anxiety and depression.
4. Implement a tiered, evidence-based approach to acne medications.
5. Review diagnostic and therapeutic strategies for management of community acquired and complicated pneumonia.
6. Discuss the historical emergence of Complex Care as a specific focus in Pediatric Hospital Medicine.
7. Describe management practices for specific problems frequently encountered in children with medical complexity.
8. Summarize the evaluation and management of pediatric urinary tract infections.
9. Analyze sleep disorders in children and adolescents.

Accreditation

In support of improving patient care, this activity has been planned and implemented by the Children's Hospital of Philadelphia. The Children's Hospital of Philadelphia is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Designation of Credit

Physicians: Children's Hospital of Philadelphia designates this live activity for a maximum of 28 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

JOINTLY ACCREDITED PROVIDER™
