Learning Objectives for Participants

At the conclusion of this seminar, the participant should be better able to:

1. Recognize and manage common medical emergencies in Pediatric Emergency Medicine.
2. Distinguish life threatening surgical emergencies in infants and children, from medical emergencies.
3. Understand the optimal strategies to manage common causes of pediatric injury.
4. Manage resuscitative emergencies in critically ill infants and children.
5. Perform uncomplicated procedures in pediatric patients.

Accreditation

In support of improving patient care, this activity has been planned and implemented by the Children's Hospital of Philadelphia. The Children's Hospital of Philadelphia is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Designation of Credit

Physicians: Children's Hospital of Philadelphia designates this live activity for a maximum of 28 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
