Michael G. Stewart, MD, MPH (Course Director) is Professor and Chairman of the Department of Otolaryngology-Head & Neck Surgery at Weill Cornell Medical College. He also serves as Vice Dean of the Medical College, and as Otolaryngologist-in-Chief at NewYork-Presbyterian Hospital/Weill Cornell Medical Center. He received a B.E. degree summa cum laude from Vanderbilt University, and an M.D. from Johns Hopkins University School of Medicine. He completed residency training at Baylor College of Medicine, and received his M.P.H. degree from the University of Texas School of Public Health, Houston. Dr. Stewart's clinical practice is general otolaryngology, and he has particular interest in nose and sinus disease. He is the author of 2 textbooks, and more than 30 book chapters and 120 peer-reviewed publications. He is Editor-in-Chief of The Laryngoscope journal, and previously served as Associate Editor and on Editorial Boards of several other journals. He is the immediate Past-President of the American Board of Otolaryngology and is also a Past-President of both the Association of Academic Departments of Oto-HNS and the Society of University Otolaryngologists, and he was an elected member of the Board of Directors of the American Academy of Otolaryngology - Head & Neck Surgery (AAOHNS) from 2011-15. He is currently a member of the ACGME Residency Review Committee for Otolaryngology from 2016-22. Dr. Stewart is also the Founder and Medical Director of the Center for the Performing Artist at NewYork-Presbyterian/Weill Cornell, which is a multidisciplinary center caring for the musical needs of singers, musicians, dancers and other performers. Dr. Stewart's research interest is in outcomes and quality of life research, and he has received research funding from the NIH and AHRQ among others. Dr. Stewart has received many awards and honors, including two Distinguished Service Awards from the AAO-HNS and Presidential Citations from two different national societies. He has been a visiting professor at more than 40 institutions, and has given more than 400 invited lectures, both nationally and internationally.

Gerhard Rasp, MD, PhD (Co-Course Director) is an Otorhinolaryngologist and Chairman of the Salzburg Paracelsus University ORL department. Born in Bad Reichenhall, Germany, he grew up in Southeastern Bavaria and graduated with the Abitur in 1979. After 15 months of military service with the 1. Gebirgsdivision, German Army, he began his studies in mathematics and physics at the Ludwig-Maximilians University in Munich. In 1981, he switched to human medicine and graduated in 1987. He finished his thesis about the “primary structure and inhibitory properties of the ovine Inter-alpha-trypsin-inhibitor” magna cum laude. In August 1997, he began his Fellowship at the Dept. of Otorhinolaryngology at the University of Munich, Grosshadern medical center under the instruction of Prof. Ernst Kastenbauer and Prof. Alexander Berghaus. He became a resident in 1992 and senior resident on 1 December 1994. He completed his specialties in ENT on the 8 April 1992, Allergology on 13 January 1994, Facial Plastic Surgery on 8. January 1996 and Special Head and Neck Surgery on 20 December 2001. His PhD focused on Clinical Investigations of inflammatory mediators in the nasal mucosa and he became an Associate Professor for ENT (Privatdozent) on 14 August 1997. He became Vice-Chairman on 1 July 2002 and apl-Professor for Otorhinolaryngology in 2003. He was elected Chairman of the ORL-Department, Katharinenhospital, Stuttgart from 1.10.2005. On 14 February 2008, he was elected Chairman and Professor of the ORL-Department of the Paracelsus Private Medical University, Salzburg. From September 2009 to September 2010, he served as President of the Austrian ENT Society and now is the incoming president 2018/2019. Since February 2013, he serves as Dean for Research at the PMU. He lives near Salzburg with his wife Dr. Karin Rasp, pediatrician, and their daughters Julia, Jana and Louisa.

Vikash K. Modi, MD, FAAP, is a board-certified Pediatric Otolaryngologist - Head and Neck Surgeon. Dr. Modi's areas of clinical interest include the management of pediatric airway disease, pediatric sleep disorders, tonsil and adenoid disease, and cleft palate disorders. After receiving his medical degree from the New Jersey Medical School, Dr. Modi completed his residency in Otolaryngology- Head and Neck Surgery at the University of Southern California - Keck School of Medicine. He spent a considerable amount of time in his residency training in pediatric otolaryngology at the Children's Hospital of Los Angeles. Following residency, Dr. Modi completed a fellowship at Northwestern University - Children's Memorial Hospital in Chicago pursuing advanced training in complex issues in pediatric otolaryngology. During this time, he studied under Lauren Holinger, M.D. a world-renowned pediatric otolaryngologist. In addition to managing common pediatric problems such as ear infections, sleep apnea, adenoid and tonsil disease, Dr. Modi has particular expertise in several more complicated areas. He has advanced training in airway reconstructive procedures (laryngotracheal reconstruction). Further, as an integral faculty member of the Cornell Craniofacial team and the Cornell Velopharyngeal Center, Dr. Modi is also particularly interested in the management of speech and language disorders caused by cleft palate or velopharyngeal insufficiency. Dr. Modi is board-certified by the American Board of Otolaryngology and is a member of the American Society of Pediatric Otolaryngology (ASPO), Society for Ear Nose and Throat Advances in Children (SENTAC) and the American Cleft Palate and Craniofacial Association(ACPA). He is also a Fellow of the American Academy of Otolaryngology - Head and Neck Surgery and the American Academy of Pediatrics.

He has made numerous presentations at the national meeting of ASPO and SENTAC. In addition he has also presented his work on endoscopic airway reconstructive surgery, internationally at the European Society of Pediatric Otolaryngology (ESPO). He has been selected as a Top Doctor in America by Castle Connolly and has been featured in the Wall Street Journal, New York Post, New York Family Magazine and New York Daily News for his work with children. Dr. Modi has a commitment to those less fortunate in developing countries and participates in medical trips to treat head and neck anomalies including cleft lip and cleft palate.
